

A group of people are gathered around a table in a dimly lit room, likely a restaurant or event space. In the foreground, a man in a light blue shirt and a woman with long blonde hair are looking towards the camera. To their right, a woman with dark hair is smiling and holding a glass of red wine. Further right, a man in a light-colored striped shirt is pointing at a small, white, cube-shaped projector on the table. The table is set with several glasses of red wine, a small vase with flowers, and some cards or brochures. In the background, other people are visible, and there are framed pictures on the wall.

JCVISION Interactive Desk Projector

Desktouch Interactive Projector

Desktouch Interactive Projector

It is a 15 inches tablet and it does no harm to your eyes;

It is an 80inches portable touch screen;

It is a VR device.

It takes 5 years to research and develop;

It obtains 7 international patents;
